## Components Of A GHS-Compliant Label

product  
identifier

**AMMONIA**

signal  
word

**DANGER**  
**TOXIC IF INGESTED**

hazard  
statement

Wash hands thoroughly after handling. Keep container tightly closed when not in use. Keep away from heat, sparks and open flames - may explode when exposed to high heat. Use in a open area that is well-ventilated. Breathing in ammonia is irritating and corrosive. Wear protective gloves and safety goggles to prevent burns and irritation.

precautionary  
statements

If swallowed: Immediately call Poison Control or doctor/physician. Drink water or milk to dilute ammonia.
